MULTIPLE INTELLIGENCE

NATIONAL ANALYTICAL APTITUDE TEST (NAAT)

The NAAT has been formulated as a national-level student assessment that aims to gauge students' capacities for learning and thinking, which are considered to be essential components of what is now known as "21st Century Skills." Contrary to the typical curriculum evaluations that schools administer for each grade, the exam evaluates students' proficiency in verbal, numerical, and abstract thinking.

| NAAT 2023

NISA offers an annual assessment of students in participating private schools nationwide for classes from 3rd to 10th. The objective of NISA is to develop such a system in the field of education that connects to the education system and creates a platform that can help students take the right decisions in difficult situations. In a true sense, value education aims to fill the void created in the lives of students. Value education is crucial to arouse curiosity and plays a cardinal role in developing values and interests. This system will help the students in skill development in future.

The Test Will Be Designed By

&

UK Based Organization Collaborated with

National Independent Schools Alliance

NEW IN NAAT 2023

In this edition of NAAT 2023, we are proud to introduce the inclusion of both National Awards and International Awards. Pinnacled charts will bring the tremendous opportunity to receive a prestigious award in **Cambridge (UK)**, an admirable distinction on both the national and international stages. In addition, recognition of toppers will be provided in the form of awards, medals, trophies, gifts, and certificates.

To honour the dedication of the participating schools to pursue quality, innovation, influence on student learning, and ambitions to develop essential abilities for future leadership, all participating schools, students, and teachers/ coordinators are proposed to get certificates from the programme.

MODES OF THE NAAT 2023 EXAMINATION

This time we have both offline and online modes of the NAAT exam, and schools can choose either of the two at their convenience.

IMPORTANT DATES FOR NAAT 2023

The provisional dates for the first round are scheduled in October 2023, and the Second Round will be in the final week of November 2023.

Please Note: (Our team will get in touch with you once your school will get registered for the NAAT 2023)

Participation Fee: ₹200 per Pupil

Note: Out of total fees of ₹200 per student, ₹30 is to be retained by the school towards invigilation and conduction of the Round 1 Test in school, and the remaining ₹170 per student is to be paid to NISA Education.

Participation Fee: ₹250 per student (with workbook)

A workbook is also being prepared which will cost just an additional ₹50 per head. (OPTIONAL)

STEPS TO FOLLOW

STEP 1

REGISTER YOUR SCHOOL

Register your school for NAAT - 2023 by visiting (www.nisaindia.org) and fill the *Register Your School* form.
