**Paragraph:** The FIFA World Cup competition, is a quadrennial international men's football championship contested by the senior national teams of the member associations of FIFA. The 22nd Edition is scheduled to take place in Qatar from 20 November to 18 December 2022. This will be the first World Cup ever to be held in the Arab world, and the second World Cup held entirely in Asia after the 2002 tournament in South Korea and Japan. In addition, the tournament is scheduled to be the last with a 32-team field; the field is slated to increase to 48 teams for the 2026 tournament in the United States, Mexico, and Canada. Due to Qatar's intense summer heat, this World Cup will be held from late-November to mid-December, making it the first tournament not to be held in May, June, or July and to take place in the northern autumn; it will be played in a reduced timeframe of around 29 days. The first match played at the tournament will be contested between Qatar and Ecuador at Al Bayt Stadium, Al Khor. The final is due to be held on 18 December 2022, which also is Qatar National Day. The reigning World Cup champions are France.
